Stations outside the metropolitan areas are well represented at the ACRAs with more than 200 finalists from country and provincial stations. This year the gala black-tie event will be held at the Melbourne Convention and Exhibition Centre on Saturday, 8 October and will start at 6.00 pm (red carpet 5.00 pm).

Chief executive officer of Commercial Radio Australia, Joan Warner said: "Congratulations to all the finalists on the recognition of their work. Live radio is one of the most demanding mediums to work in and takes high level commitment to creating programs that are compelling, revealing and entertaining, day in, day out. The Radio Awards are a night for everyone to come together to celebrate the best in the industry."

Organised by Commercial Radio Australia, the national Awards cover 33 categories. Winners are announced in each category across three areas: metropolitan, provincial and country commercial radio stations, and encompass all areas of commercial radio broadcasting including news, talk, sport, music and entertainment. The ACRAs differ from television's Logie Awards in that they are peer judged by industry members. The ACRAs follow the National Radio Conference, which will be held at the Melbourne Convention and Exhibition Centre on Friday 7 October.
