

## DAB + Digital Radio Report - 1, 2015

### Report Overview:

The GfK radio ratings surveys are released eight times per year for the metropolitan markets of Sydney, Melbourne, Brisbane, Adelaide and Perth. The survey collects information on platform of listening across AM/FM, DAB+ digital radio and internet.

Listening to individual DAB+ digital radio only stations have not previously been released. This report is based on the average results across the three most recent surveys (Survey 2, 3 and 4 2015) and is the first time individual station figures for the DAB+ digital only stations have been released.

### Definitions:

- **TOTAL DAB+**: refers to listening to all stations available on DAB+. This includes all AM and FM stations that simulcast available via DAB+.
- **DAB+ ONLY STATIONS**: refers to stations that are only available on DAB+ and NOT on AM or FM, e.g. "Triple M Classic Rock Digital", "Pure Gold 80s", "Coles Radio" and "Buddha".
- **NATIONAL**: refers to listening to DAB+ across Sydney, Melbourne, Brisbane, Adelaide and Perth.
